

PCA

A pixelated, black and white graphic of the lowercase letters 'i' and 'v'. The letters are rendered in a simple, blocky font style. The 'i' is on the left, consisting of a small square dot above a vertical rectangular stem. The 'v' is on the right, formed by two diagonal strokes meeting at a point at the bottom. The entire graphic is centered within a white square area, which is enclosed by a thick, solid black border.
